**PUBLIC NOTICE**  
**CITY OF DANA POINT**

---

**NOTICE IS HEREBY GIVEN** that the Traffic Improvement Subcommittee of the City of Dana Point will meet on December 18th to discuss parking issues on Chula Vista north of Selva Road. The meeting will focus on alternatives to address a growing parking problem, and parking restrictions to address the issues raised by residents on the street. The meeting will be held at the following date, time and location:

Date: December 18, 2013  
Time: 3:00 PM  
Location: City Council Chambers  
Address: 33282 Golden Lantern  
Dana Point, CA 92629

**BACKGROUND**

The City was approached by several residents on Chula Vista north of Selva only with concerns of a growing parking problem on the street. There is limited parking and observations have yielded consistently heavy parking utilization, particularly with the adjoining private townhome development, namely Dana Light.

City staff will present parking restriction alternatives and recommendations to the Traffic Improvement Subcommittee for consideration at the Public Hearing. Options may include consideration of time restricted parking, no overnight parking, preferential parking, street sweeping day restrictions, and other options.

The Traffic Improvement Subcommittee, at its December 18th Meeting, will consider City staff's recommendations and direct staff to implement restrictions.

The Subcommittee has directed Staff to notify the residents that might be affected by this proposed action to solicit comments/input.

**For further information or if you have questions or comments, please contact the City Engineer by phone, e-mail or in writing by December 9<sup>th</sup> at the following:**
